TERMS

This Order is governed by the Datadog Partner Program Agreement, and the Partner Program Purchasing Addendum, copies of which are available in the partner portal at [https:// www.datadoghq.com/partner/](https://www.datadoghq.com/partner/) (collectively, the **"Governing Contract"**) and becomes effective once Partner agrees to the terms of the GCP Marketplace Private Offer (the **"Private Offer"**) to be sent to Partner from Datadog. For the avoidance of doubt, access to and use of the Datadog Services by Partner and/or Partner's customer, as applicable, as permitted by the Governing Contract is governed by Datadog's standard terms of use, currently available at [https:// www.datadoghq.com/legal/msa/](https://www.datadoghq.com/legal/msa/) . Capitalized terms not otherwise defined in this Order have the meanings assigned to them in the Governing Contract.

Partner acknowledges that GCP requires Customer to be on a GCP-hosted Datadog instance.

Further information regarding the capabilities and features associated with different Services, and the calculation of Service usage and Fees, is available at <https://www.datadoghq.com/pricing/> (**"Pricing Page"**).

For clarity, Pro Plus Hosts include the following features: Watchdog for Infrastructure, Anomaly Detection, Forecast Monitoring, and Live Processes.

Customer may have the option to use separately priced Services or Service features that are not listed on this Order. Fees for any use by Customer of these optional Services or features or use of the Committed Services after the End Date will be calculated and invoiced to Partner on a monthly basis at the applicable prices on the Pricing Page.

This Order will become effective when signed by both Parties. Unless both Parties sign this Order, the pricing and terms offered in this Order expire on the Offer Expiration date stated above.

This Quote and the specific pricing terms are specific to Partner and shall be considered the Confidential Information of Datadog. To the extent shared with any permitted third parties pursuant to the confidentiality terms between Partner and Datadog, such third party shall be bound by terms that prohibit their use of the information for any purpose beyond providing services to Partner, including restricting their use of the information in any aggregated or anonymized format.

Parties acknowledge and agree that the section of the Governing Contract detailing the Governing Law and Venue shall be deleted in its entirety and replaced with the following:

This Agreement shall be governed by and construed and enforced in accordance with the laws of the Republic of Singapore. Any dispute arising out of or in connection with this contract, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration administered by the Singapore International Arbitration Centre ("SIAC") in accordance with the Arbitration Rules of the Singapore International Arbitration Centre ("SIAC Rules") for the time being in force, which rules are deemed to be incorporated by reference in this section. The seat of the arbitration shall be Singapore. The Tribunal shall consist of one (1) arbitrator. The language of the arbitration shall be English. In respect of any court proceedings in Singapore commenced under the International Arbitration Act 1994 in relation to the arbitration, the parties agree (a) to commence such proceedings before the Singapore International Commercial Court ("the SICC"); and (b) in any event, that such proceedings shall be heard and adjudicated by the SICC.

Services Included Allotments:

Except as otherwise identified on this Order, Applicable Allotments are identified at: <https://www.datadoghq.com/pricing/allotments/> and are presented as either monthly or hourly quantities. All Allotments for Services purchased through the marketplace are hourly quantities.

Custom Services Included Allotments:

Infra Host (Pro Plus) includes 5 Containers, 100 Custom Metrics, 500 Custom Events and 100 Custom Metrics Ingestion.

Customer acknowledges and agrees that: (i) the RUM Browser or Mobile Sessions, RUM Session Replay, and/or Real User Monitoring Sessions Services listed in this Order (as applicable, and collectively, the "Legacy RUM Services") will be available to Customer only for this Order Term; (ii) Datadog currently offers, and may offer in the future, other Services or Service features, including RUM Investigate and RUM Measure, that provide similar or more robust functionality (collectively, the "New RUM Services"); (iii) Datadog shall have no obligation to make any additional features or functionality available for the Legacy RUM Services; and (iv) upon renewal of this Order, Customer shall migrate to New RUM Services. If Customer wishes to migrate to New RUM Services during the Order Term, the parties shall negotiate a mutually agreeable amendment to this Order to address changes in applicable Services and pricing.

Custom Payments Schedule:
